        }
    },
    "code": 200
}
```

5-Resend OTP

URL: quytech.net/runfast-sftp/RunFast/public/api/resend_otp

Request::

user_id

Response:

```json
{
    "status": true,
    "message": "OTP Send Successfully!!",
    "data": {
        "user_id": 1
    },
    "code": 200
}
```

6- Reset Password

Hearder
Bearer Token

URL: quytech.net/runfast-sftp/RunFast/public/api/resetPassword

Request:

password
confirm_password

Response:

```json
{
    "status": true,
    "message": "Password reset successfull",
    "data": {},
    "code": 200
}
```

7-Change Password

URL: quytech.net/runfast-sftp/RunFast/public/api/changePassword

Request:

password
confirm_password
old_password

Response:

```
{
```

```
    "status": true,
    "message": "Password change successfully!!",
    "data": {},
    "code": 200
}
```

8- Change Language

URL: quytech.net/runfast-sftp/RunFast/public/api/changeLanguage

Request:

language

Response:

```
{
    "status": true,
    "message": "language change successfully!!",
    "data": {},
    "code": 200
}
```

9- Social Signup

URL: quytech.net/runfast-sftp/RunFast/public/api/social_signup

Request:

 email
social_id
device_token
device_type

Response:
```
 {
    "status": true,
    "message": "User Registered Successfully",
    "data": {
        "token":
```
```
